CHALLENGE

The top teams from JA Areas will compete to maximize earnings through smart investing strategies. This fast-paced event simulates 90 days of trading in just 90 minutes, requiring students to make decisions based on current events and market trends.

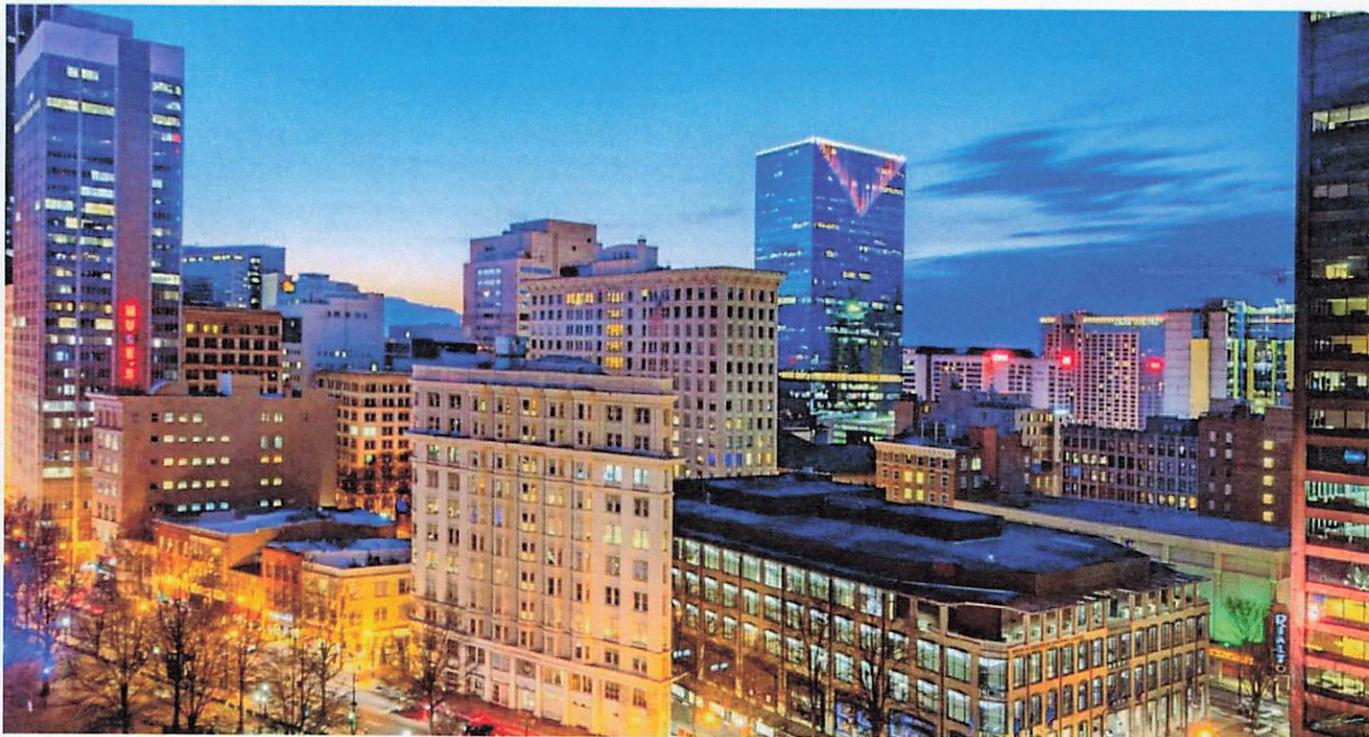

Top teams from JA Areas nationwide will compete in a series of simulated quarters to manage a well-rounded business operation. They will make financial decisions regarding production, marketing, research and development (R&D), and corporate social responsibility (CSR).

Participants are supported by a **JA USA scholarship to attend Future Bound.**
