

TIFFIN CITY SCHOOLS

244 S. MONROE ST. TIFFIN OH. 44883

Jerry Nadeau
Superintendent

August 8, 2025

In attendance for the meeting were the following:

Dr. Meagan McBride

Mr. Victor Perez

Mr. Jerry Nadeau

Discussion topics:

Transportation

Are we doing more for Calvert vs Bridges? The committee discussed our requirements under tiered busing. Mr. Nadeau is working with OSBA and legal counsel to determine if a recommendation of changes needs to be made.

Regarding the cell phone policy, it appears the current policy and student handbook language meets the requirement for banning cell phones and devices during the student day. Mr. Nadeau is meeting with principals for implementation for the 2025-26 school year.

Cell phone

Actions and recommendations

Review current policies to determine if changes need made;

Review Wellness policy for compliance and report back to the committee;

Review Live bug policy and make a recommendation to the committee.
